Shaw has additional work to do in the multipurpose room and the hallway that is hard to do with people in the building. There was discussion about closing the library around the holidays, so that this work can be completed. The staff would need the day before Christmas Eve to clean out the multipurpose room and prepare for this work to take place. Genevieve Simpson made a motion to close the library from December 23 through January 4 so that needed renovation work can take place. Staff will be paid for their regular hours worked during the closure. Natalie Zasadny seconded.
