

TISSUE PAPER STAINED GLASS

Supplies

- Tissue paper squares
- Pre-cut paper design
- 2 pieces of laminate

Optional:

- Hole puncher
- Twine or ribbon

Directions

1. Remove backing from one piece of laminate and lay sticky side up on flat surface.
2. Place paper design on sticky side of laminate.
3. Place tissue paper squares on design inside oval any way you like.
4. When you are done, lay finished project sticky side up on flat surface.
5. Take other laminate and remove backing.
6. Place sticky side of plain laminate on finished design.
7. Hang! Optional: Hole punch top and place ribbon through to hang.
